Life in Granada

Granada is a city located in the south of the Iberian Peninsula. Its geographical position makes it a perfect destination for anyone seeking a variety of landscapes and dreamy places. Within the city, you can find one of the most complete historic centers in Europe, the proximity of Sierra Nevada (ideal for a weekend getaway with friends and learning to ski) or the Tropical Coast of Granada, just 40 minutes away. More information here

Here, you can not only enjoy an unforgettable social experience but also find various activities to make your daily life more enjoyable—strolling through the historic center, watching the sunset from one of Granada's iconic viewpoints, tasting the famous "tapas," and even experiencing its traditions, such as Holy Week, the May Crosses Festival, and the Corpus Fair.

If you don't know how to start living this period, don't worry! The Erasmus Student Network (ESN) will guide you through your first steps in the city and introduce you to a group of international students who, just like you, are looking to have an unforgettable erasmus experience.

The Granada City Council offers a comprehensive guide to most of the monuments, museums, and public places that can be visited. Additionally, a wide variety of socio-cultural activities and tourist destinations within the city can also be found on its website.

We invite you to visit their website for more information by clicking here!

You have to go to the ETSIIT Secretariat and contact Mrs. María Martínez (@email), the administrative staff in charge of incoming students. She will help to you to fill-in the registration form and to choose the courses you want to study. They should be (with minor changes) what you marked in the table PROPOSED STUDY PROGRAMME AT THE UGR in the **APPLICATION FORM**.

IMPORTANT: You won't have the right to attend the exams nor obtain your marks for a course in the Transcript of Records if you are not registered for that course

Before your registration, please, make sure that you can attend the lectures. Attending is not compulsory in many courses, but it is highly recommended. Most of the laboratories are not optional and you must attend them. You can download the timetable information for our web page.

If you have to change any courses you need the approval from your University. There is an official document, the Leaning Agreement which must be completed, or you must provide a copy of your home University's Learning Agreement including the corresponding approval.

You can choose any of the subjects offered by ETSIIT. Please, check the courses at ETSIIT.

Our staff and Ms. Nuria López Ruiz (@email), the Head of the International Office at ETSIIT, will help you in case of any problem. They will also give you any information that you need and help you to choose the most accurate subjects.
